WARREN TOWNSHIP POLICE CHIEF & OFFICERS VISIT ROOMS 23 AND 14!

February 17, 2017

Chief Pettis and Officers Dynesha Harris, Marcus Harris and Donald Rohrer went to visit Room 23 on Wednesday to discuss school safety. The officers also shared the wide range of equipment they use with the students. The officers also explained to the students who the safe people would be that they could go to in case of emergencies. Mrs. Smith and her students thoroughly enjoyed all of the valuable information the officers shared with them.

“PUTTING CHILDREN FIRST”

C.O.R.E.

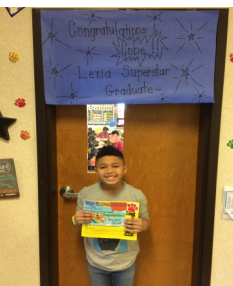

- ◆ CIVILITY
- ◆ ORDER
- ◆ RESPECT
- ◆ EXCELLENCE

The kids in room 14 at GC also had the special visitors come to kick off their unit on community helpers. Big hugs and enormous thank yous to our friends at the Warren Police Department! The vote was unanimous... Telling classmates to put their hands up over the radio was the best!

GRASSY CREEK MISSION STATEMENT
Grassy Creek Elementary Empowers children to be life-long learners and productive citizens in our diverse community.

CONGRATULATIONS COBE!

Congratulations to Cobe Clayton, from Ms. Scheib's 2nd grade class. He graduated from Lexia! We are very proud of him as well as everyone else that has been working hard to achieve success on Lexia.

PRINCIPAL'S POINT:

Dear Parents,
With the first round of ISTEP+ testing just over a week away, we need everyone's help to ensure all students are able to perform at their maximum potential. First and foremost, **it is important that children are here everyday and are prepared.** Please read over the items listed below and help your child prepare to do his/her PERSONAL BEST!

- ◆ Make sure your child has an early bedtime during testing weeks.
- ◆ Encourage your child to try hard and do his/her PERSONAL BEST!
- ◆ Provide a positive atmosphere at home before your child leaves for school each day.
- ◆ Provide support and encouragement. Let your child know that you realize the tests are difficult, but that you know he/she will do well on it if he/she puts forth his/her best effort.

Thank you for your support during these important weeks!

Sincerely,
Lance Schnaus

Spring Programs for Budding Scientists

Zoo Explorers

Dolphin Trainer – March 23-24 or March 30-31 • 10-14 year olds

This adventure of a lifetime provides the opportunity for young people* to explore the world of dolphins. Experience what it takes to be a dolphin trainer and get to know the members of our dolphin pod. Over the course of two full days, participants will learn how we train and care for our dolphins through special behind-the-scenes experiences in the Dolphin Pavilion including attending the dolphin show, and meeting the trainers, dolphins and other marine mammals. Participants will learn how to individually identify our dolphins and how scientists study dolphins in the wild. All of this leads up to the ultimate experience, venturing into the water to meet our wonderful dolphins up close and personal. For more camp opportunities, call 317-630-2001 or get a flyer from the school office.

GALLERY AT THE CREEK

Students have been working very hard preparing for our school-wide art show! Each class has created a beautiful painting that will be sold at our silent auction to take place during this event! This will be a great time to see all the wonderful things our prospectors have created and help raise funds for Grassy Creek PTA as well as our art program! We look forward to seeing you on March 9th from 6:00-7:30 p.m.
