Grassy Creek Mission Statement

Grassy Creek Elementary empowers children to be life-long learners and productive citizens in our diverse community.

PRINCIPAL'S POINT:

Good evening,
As we head into Fall Break, I encourage all of you to keep your child's focus on education even during a break from school. Yes, they need time to play and have fun, but it is also very important to keep them engaged with educational activities. Some examples of what you could do with your child is have them read 20 minutes each night before bed or when they get up. You could also have them write in a journal about the fun things they are doing over break and/or have them help with grocery shopping where they are required to find how much change you will get back or how many items you can afford with a certain dollar amount. I hope all of you had a very successful parent/teacher conference and were given lots of ideas on how to further push your child toward academic excellence. Hope everyone has a wonderful break and I look forward to seeing your child(ren) on October 24th.

Sincerely,

Lance Schnaus, Principal

BUS SAFETY IS IMPORTANT!

PENNIES FOR PATIENTS

Thank you for helping your student raise funds in the fight against blood cancer with The Leukemia & Lymphoma Society's Student Series. We are very proud to announce that our school raised \$1,094.12 that will be contributed to this very worthy cause.
