

Warren Central High School Student Schedule Pick Up 2016-17

All students attending Warren Central High School for the 2016-17 school year are expected to attend schedule pick up on the date and time assigned to their grade level. Please be prepared to address the following items:

1. **Update immunization records:** If your child is not up to date on his/her immunization records they will not be issued a student ID or student schedule for this school year. Please bring all updated records on the night of schedule pick up.

Please Note: All senior students are now required to obtain an additional meningitis booster shot prior to the start of their senior year. This shot must be on record in order to start school.

2. **ID/School Pictures taken:** All students must carry a Warren Central ID on their persons at all times. ID and school photos will be taken at schedule pick up. Students should be in school- appropriate dress for these photos. ID's must be obtained in order to check out a Chromebook. Make ups will be the first Friday of school.
3. **Chromebook distribution:** After obtaining an ID, students will pick up Chromebooks in the Media Plex. Chromebooks will be used in classes as part of the daily routine, replacing many text books and will also allow students to access their schedule online. Paper schedules will not be printed.

You will also have access to the following organizations/information at student schedule pick-up:
