

**MSD of Warren Township
Chromebook Personalization Agreement**

Students may personalize the Snap-On Cover for their Chromebook with writing and/or stickers. This may include the student's name or the High School name and/or mascot among other acceptable notations. ***Snap-on covers may not be removed. No writing or stickers may be applied directly to the Chromebook.***

Personalization must follow the Student's Rights and Responsibilities Handbook's guidelines. Which includes (but is not limited to) no personalization that:

- is suggestive, has a double meaning or innuendo, or suggests inappropriate ideas;
- by virtue of its color arrangement, trademark, or any other attribute denoting membership in a gang or advocating drug use, violence or clothing bearing racially or sexually offensive messages;
- makes reference to teachers, administrators, employees or other students or other secondary schools.

If personalization is deemed unacceptable the Snap-On Cover will be replaced. The student will be charged for a replacement Snap-On cover.

I have read and understand the terms of the MSD of Warren Township Chromebook Personalization Agreement and agree to those terms.
