

Indiana STEM Action Coalition

2017 Summer STEM Camp Opportunities

Chemistry is a Blast from Eli Lilly & Company

Interactive hands-on chemistry demonstrations where K through 12th grade students experience the "wow" of science by watching and doing unique chemistry experiments.

Age/s: Grades K-12th

Date/Time: Weekdays - Based on Availability; Daytime Hours (Group Reservation Required)

Cost: Free

Scholarships: None Required

Program Website: Not Available

Contact: Guy Hansen, guy_hansen@att.net

Marian University STEM Summer Camps

Activities include hands-on, standards-based classroom, lab and outdoor activities and field trips. Marian University STEM Summer Camps are week-long standards-based, and grade specific academic enrichment adventures on the campus of Marian University. Each week is a different theme and each week a camper attends will be a different experience.

Age/s: Grades K-8th

Date/Time: June 15-19, June 22-26, June 29-July 3 and July 6-10 from 8:30 AM – 4:30 PM

Cost: \$240

Scholarships: Discounts Available

Program Website: June 15-19, June 22-26, June 29-July 3 and July 6-10

Contact: Janice Hicks-Slaughter, jhslaughter@marian.edu, 317-524-7701

ID Tech Camp

Yes, we're a tech camp, but we do not sit in front of digital devices all day. We provide a well-balanced, fun summer camp experience that is age-appropriate for kids, pre-teens, and teens. Imagine a small group learning environment where the curriculum is tailored to you. A place where you build critical 21st century STEM (Science, Technology, Engineering, and Math) skills in intimate clusters of just 8 students maximum per instructor, and collaborate with new friends

Age/s: 7-17

Date/Time: June 5-9, June 12-16, June 19-23, June 26-30, July 10-14, July 17-21, and July 24-28

Cost: Starting at \$879

Scholarships: Available

3D Printing and Design by 1st Maker Space Summer Camps

Discover inspiring ways to imagine, design, invent, tinker and make through hands-on projects, interactive challenges and collaborative creations. This week-long camp fosters creativity, builds confidence, and sparks interest in science, technology, engineering, math and the arts. Every youth can be a maker - so let's start making!

Age/s: Grades 1st-8th

Date/Time: June and July from 9:30 AM – 3:30 PM (M-F)

Cost: \$225 (\$199 Early Bird)

Scholarships: Available

Camp Invention

Camp Invention inspires girls and boys to think BIG and imagine how they can change the world for the better one day! This one-of-a-kind weeklong experience connects science, technology, engineering and math through fun hands-on activities. The program allows students to learn about creative problem solving (and so much more!) in teams grouped by age.

Age/s: Grades K-6th

Date/Time: June and July – Varies by Location

Cost: Varies by Location

Scholarships: Varies by Location

Bricks 4 Kidz

Bricks 4 Kidz® offers seasonal half-day camps for children who enjoy even more time to explore and build! Our day camps provide children with the opportunity to go more in depth with some of the concepts and themes that we explore. Day camps continue to focus on concepts that include Science and Technology, but also feature weekly themes, games, and challenges to make learning even more fun.

Age/s: 5 and Up

Date/Time: June and July – Varies by Location, Half and Full Day Available

Cost: \$130+ per week

Scholarships: Contact for More Information

Indiana State Museum Summer Camps

Whether your child's perfect summer means solving crimes, digging up fossils, or designing your own fashion line, the Indiana State Museum has a summer camp that's right for them. Camps begin on June 1 and each week delivers a new adventure based on the museum's outstanding exhibitions and collections. Campers will explore topics including forensic science, paleontology, fashion, nature, architecture, history and the science of the circus for some hands-on, educational fun.

Age/s: 8-14

Date/Time: May 30-June 2, June 5-9, June 12-16, June 19-23, June 26-30, July 10-14, July 17-21, July 24-28
from 9:00 AM -3:00 PM

Cost: Vary depending on Camp; Sibling Discounts Available

Program Website: <http://www.indianapoliszoo.com/conservation-and-education/education/family-youth-experiences/zoo-camps>

Contact: edustaff@indyzo.com, 317-630-2000

Indianapolis YMCA Camps

Through organized activities and play, camp counselors will provide campers with experiences to not only challenge their minds, but strengthen their bodies as well. And the best part about camp is that youth will have the opportunity to make new friends and take part in new activities that will help stimulate a healthy lifestyle, instill self-confidence, and inspire leadership. Children will be encouraged to have fun, be active, and let's face it, it's camp and they are bound to get a little dirty. So put on your tennis shoes, grab your snack and let's have some fun! This year's educational camps include Lego Engineering, Roller Skating STEM club, and Mad Science.

Age/s: 5-15

Date/Time: June-July, Varies by Location

Cost: \$134+

Scholarships: Yes

Program Website: <https://indymca.org/programs-and-activities/category/day-camps/>
