

2015 BORDEAUX FUTURES

The Best Futures Vintage since 2000!

At the time of this writing, I am heavily into the 2015 En Primeur campaign. For the most part, I have sat out the En Primeur game since the 2009 vintage, with some spot buying here and there. The reason I call this the best “Futures” vintage since 2000, is “Quality vs. Price”... The quality is way up compared to the '11, '12, '13, '14 vintages, yet the prices are much better than the excellent quality '10 and '09 campaigns. That said, I am still being super selective in the properties I am buying, really focusing on the Best Value Cru Bourgeoise and Petite Chateaux. **James Suckling**, former lead reviewer for *The Wine Spectator* is VERY bullish on the vintage, giving wonderfully high scores to over one hundred properties. If there are wines you would like me to get for you, don't hesitate to let me know, and I will go procure them for you! *Don't miss these Opening Prices!*
