UNCF Scholarship Programs

Thank you for your interest in UNCF scholarships, programs, internships and fellowships. UNCF manages various scholarship programs and each program has its own eligibility criteria, open/close dates and required documentation. To apply for a UNCF scholarship, you must apply through the on-line application process. THE GATES MILLENNIUM SCHOLARS

Funded by a Grant from the Bill & Melinda Gates Foundation

UNCF administers the Gates Millennium Scholars Program in partnership with the Hispanic Scholarship Fund, the Asian & Pacific Islander American Scholarship Fund and the American Indian Graduate Center Scholars.

The Gates Millennium Scholars program, funded by a grant from the Bill & Melinda Gates Foundation, is aimed at expanding access and opportunity to higher education to those citizens who will help reflect the diverse society in which we live. The Foundation seeks to increase the number of African Americans, American Indians/Alaska Natives, Asian Pacific Americans and Hispanic Americans enrolling in and completing undergraduate and graduate degree programs. The goal is to promote academic excellence and to provide an opportunity for thousands of outstanding students to reach their fullest potential. The Bill & Melinda Gates Foundation established this initiative to encourage and support students in completing college and in continuing on to earn masters and doctoral degrees in disciplines where ethnic and racial groups are currently underrepresented. The Gates Millennium Scholars awards enable thousands of young Americans to attend undergraduate and graduate institutions of their choice and prepare them to assume important roles as leaders in their professions and in their communities.

Access the Gates Millennium Scholars application on the UNCF website at: www_uncf_og. Click on For Students then click on the Gates Millennium Scholars Website.

CORPORATE SCHOLARS PROGRAM

The UNCF Corporate Scholars Program gives students two things they really need – scholarships that help pay for college and practical, hands-on work experience.

Corporate Scholars participate in paid 8 to 10-week internships at world-class corporations. After a successful summer, these lucky students receive $3,000 to $15,000 to pay for college expenses. They sometimes receive even more – several UNCF corporate partners have hired students directly from the program!

Program participation is usually limited to Sophomores (rising juniors at the time of internship), although some programs accept Juniors (rising seniors at the time of internship), Seniors and 1st year Graduate Students from participating universities chosen by our corporate partners. All programs require a minimum GPA of 3.0.

Information regarding UNCF Corporate Scholars Programs can also be found on our website @ www.uncf.org and searching scholarship programs.

 OUR UNCF MEMBER HBCU INSTITUTIONS

As a UNCF Member Historically Black College or University (HBCU) there are added perks for the institution and their students.

UNCF's Institute for Capacity Building, a unique institutional improvement initiative, helps member colleges and universities become stronger and more self-sustaining in areas that can make the difference between success and struggle such as curriculum and faculty enhancement, student recruitment and retention and fundraising.

UNCF Campaign for Emergency Student Aid (CESA), helps recession impacted UNCF students finish paying for college and stay in school. The UNCF CESA program provides emergency assistance for students that attend our UNCF member HBCU to help with past due balances on their account that may hinder a student from graduating.
