**Sunny Heights Families,**

It is hard to believe that we are already at the end of our 1<sup>st</sup> quarter here at Sunny Heights Elementary!! It has been a great start to the 2016-2017 school year. I am so proud to have the opportunity to be leading such a wonderful staff and incredible group of students. We are all working very hard with ALL students to achieve growth in their academic and social work. A big THANK YOU to all families for their hard work and effort in supporting our school as well. We truly enjoy and look forward to the opportunities we have to celebrate our successes with students and families. Students will be bringing home an announcement sheet for our family night fundraiser coming up. October 27<sup>th</sup> is Sunny Heights Elementary Night at the Incrediplex. This is a big fundraiser for our PTA. The money raised will go directly to students and families. We look forward to a big turnout!

## HOME & SCHOOL CONNECTION

### Fall Back

Does your youngster know why people in most states will turn their clocks back an hour on November 6<sup>th</sup>? Help her read up on the history of Daylight Savings Time – she'll practice research skills for a real-life reason. Then, she could share what she discovers with your family and change your clocks.

### Assistant chef

Let your child help you with Thanksgiving dinner and look for ways to make it more nutritious. For instance, use whole-wheat bread for stuffing or mash cauliflower instead of potatoes. Involve him in every step of the process, and he'll learn about planning healthy meals, shopping for ingredients, and cooking.

### Put away cell phones

Whether or not your youngster uses a cell phone, she'll notice the phone habits of adults around her. Make a point of putting away your phone during meals and while talking or playing with her. Your example will show her that it's polite to give others your undivided attention – and more fun to talk to the person you're with.

### NURSE'S NOTES:

While on Fall Intersession and going thru your children's closet is on the agenda, please think of Sunny Heights' closet for students' that may have accidents during the school day and need a change of clothing. We are always in need of pants, any size – but especially the smaller sizes – and underwear. Also, on that note, if we have sent your child home with some of our clothing, please send them back to school when we return!

Warren's blended calendar allows for approximately 9 weeks of instructions followed by a two week break. Our fall intersession break is October 10<sup>th</sup> – October 21<sup>st</sup>. Students do not attend school during the two week break. School will reconvene on Monday, October 24<sup>th</sup>. Childcare is offered for students through the YMCA. Please contact the YMCA office for childcare information at 226-9122.

## **ThankFULL at Thanksgiving 2016**

Stonybrook Middle School, Stonybrook Intermediate Academy, Brookview Elementary School, Pleasant Run Elementary and Sunny Heights Elementary School will be partnering together to support our community again this Thanksgiving.

Last year we were able to support 65 families by providing an already prepared Thanksgiving meal. We would like to continue this community service this year because we want all of our families to have a **ThankFULL Thanksgiving Holiday**. In order to make this happen, we do need community support.

We provide our families with mashed potatoes, green beans, corn, rolls, and a deep-fried turkey. We package those items up and deliver with a pie or a case of Coke products.

Donations of 10 -14 lb turkeys, gift cards to grocery stores in Warren Township or cash would help us support of our families during this time of year.

Respectfully,

Pam Griffin, Principal of Stonybrook Middle School

Myke Spencer, Principal of Stonybrook Intermediate Academy

Charles Woods, Principal of Brookview Elementary School

Travis Koomler, Principal of Pleasant Run Elementary School

Bart Lewis, Principal of Sunny Heights Elementary School
