Hello Sunny Heights Families!

We had another great week at Sunny Heights! This was the first week of the Lexia Lifesavers...students were recognized for meeting their growth goals on our reading program (Lexia) and I had the pleasure of handing out a lifesaver to EVERY student that hit the mark. I had as much fun or more than the students did! It is great to see them be so excited about their progress.

I would like to reach out to families for some help in a couple of ways this week. First, in order to make afternoon dismissal as safe and secure for ALL students, please contact the main office by 3:00 p.m. if there is a change to your child's transportation that day. This will give us plenty of time to make any changes. A note sent in with student will also work.

Secondly, student arrival time is 8:30 a.m. With ISTEP quickly approaching, it is crucial that we have much instructional time as possible starting first thing in the morning. We know that "life happens", but it is very important that students are here as close to 8:30 a.m. as possible.

Thank you to all of our families for all the support!

Your Very Proud Principal,
Mr. Lewis
