

National Teacher Appreciation Week May 8 ~ 12

Pleasant Run Families -

I am happy to report that ISTEP testing is now complete. Our 3rd & 4th grade students have worked extremely hard on each session of the ISTEP test. Every student put their best effort into each section and they have remained focused. Testing is now complete, however we have several make-up sessions that will take place next week. Thank you for your words of encouragement.

Speaking of encouragement, the week of May 8th is National Teacher Appreciation Week. I, along with our PTA, will be recognizing our hard working staff throughout the week. I ask that you join me in honoring your child's teacher with a token of appreciation. They often don't get recognized for their challenging work and endless hours - a little bit of thanks can go a long way! This could be as simple as a "Thank You" note.

Please take a minute to watch "[Thank a Teacher](#)," courtesy of Mudpies & Butterflies, for an inspiring reminder about the significance of great teachers.

Thank you in advance for joining me in honoring the staff at Pleasant Run Elementary.

As always, I appreciate your support.
Mr. Koomler
