Dear PR Families -

Thank you to everyone who attended our K-2 Student Achievement breakfast this morning. It was wonderful seeing so many family members attend. Our PTA Glow Party was a huge success and students and staff had a blast!

Please keep in mind that attendance each day is extremely important for consistency in learning and creating routines. Over the next couple of weeks, attendance for your students is even more important because of ISTEP. Please continue to make every effort in making sure your child is present at school. When your child has to be absent, please reach out to the teacher for their make-up work.

If you have a 3rd or 4th grader, please put these important dates on your calendar:

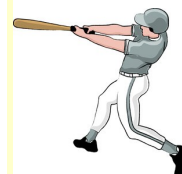

ISTEP Applied Skills: February 27-March 10

ISTEP Multiple Choice: April 17– May 5

As always, I appreciate your support.

Mr. Koomler

FEELING A LITTLE WORN OUT?

It is that time of year again when student supplies are really worn out. Pencils are worn to almost nothing and clean notebook paper is a relic of the past. As we begin a new semester, it is a great time to take a look at your student's school supplies. Most students will need some new supplies as they return to classes. Remember, just as in life, success in the classroom begins with the right tools!

Yearbook order forms went home this week. Yearbooks are on sale for \$12.00 until February 17th.
