## **Environment**

When you look around the Warren Early Childhood Center you may see a different environment that is not “typical” of a school. The walls are covered with children’s conversations, photographs, documentation, and child created work. The classroom environment is designed to create a warm atmosphere that encourages learning and creativity.

## **Philosophy**

Our staff is inspired by practices and philosophies that lead us to observe children during play and in their conversations with peers to discover what interests them. The children, teachers and parents collaborate to guide children through in-depth investigations on a topic they find interesting.

We believe that a more child-centered atmosphere creates meaningful learning experiences and encourages creativity. Early Childhood is the essential time to create a foundation for learning and a connection to school.

## **Curriculum**

Our center follows a curriculum based on the Indiana Foundations set by the Indiana Department of Education. Our Foundational Math Curriculum is Eureka Math. We offer 2 Digital English/Language Arts resources in Smarty Ants and Lexia. *Thank you for your patience and cooperation.*

- When you pull into the turnaround on the south side of the building, stay in one line until you are exiting onto Mitthoeffer Road. Staff members will be posted to direct cars. (Please do NOT make a “U-turn” in the loading area.
- We will unload and load 10-12 cars at a time. The front car will pull up to the end of the sidewalk. **WE WILL BE UNLOADING ALONG THE SIDEWALK ONLY.** A white lined area is painted on the drive for loading/unloading.
- **Adults will need to get out of the car to unload/load children, rain or shine.** A teacher will pick up or deliver your child at your car.
- **Once back in the car, drivers may not pull out until all 10-12 cars are unloaded/loaded and directed out by a staff member.**
- If someone new is picking up your child, please make sure you have listed the person on the enrollment form. This person MUST present their ID to receive the child.
- **ALL vehicles should be turned off when you are in the Loading/Unloading area. This is School Board Policy.**

### **School Closings due to Inclement Weather**

Often the weather or some other unforeseen circumstances causes Warren Township schools to be on a 2-hour delay or closure. Watch and listen to the TV news or radio for this information. Here is what to look for:

- If Warren Township Schools are on a **2-hour delay**- Morning Pre-school classes will NOT meet. Afternoon classes will be held as normal. *(Refunds/Credits towards days missed are not guaranteed)*
- If Warren Township Schools are **closed**- School is closed and there are no classes for the day.

### **Attendance**

We do track attendance. Please contact the Main Office when your child will be missing at 317-869-4750. ***It is the parent's responsibility to notify the Main Office if your child will not be returning prior to the beginning of the month. This will ensure you will not be billed and we can possibly offer the PreK spot to another scholar.***

### **Visitors**

Parents are welcome to visit the Center at any time. It is recommended that you give your child time to adjust the first few weeks as they begin school before planning a visit. Anytime you or a family member visits or volunteers at the Center, you must stop at the front desk to sign in and pick up a visitor's badge.

## **Volunteering**

Please contact your child's teacher ahead of time to schedule a time to volunteer. Warren Township requires that all adults who volunteer in the classrooms or attend field trips need to have a Limited Criminal History Background Check on file. These forms will be available at the beginning of the school year as well as throughout the school year. The information from these reports remains confidential.

## **Birthday Celebrations**

In an effort to make sure we get the most out of our instructional time with scholars, we will hold a "Monthly Birthday Bash" on the last Friday of each month. If you choose to bring in goodies for your child's birthday this is the appropriate time to do so. The classroom teacher will send home monthly reminders in class newsletters.

## **Dress Code**

Children should wear comfortable play clothes every day and appropriate outer clothing as the weather dictates.

## **Medical**

All medicine must be in its original bottle, provided by parent. If it is a prescription, it must have a current prescription label and permission to give, signed by a parent. If over the counter medication, it can only be given according to dosage on bottle and with doctor's orders.

Parents need to notify the school nurse in writing of any medical concerns. Please make sure you keep this current. If your child has a special diet, allergies, asthma, seizure disorder or other health condition, a Health Care Plan must be completed and signed by your child's physician. (See Nurse Roz for forms)

All meals/snacks are provided by Chartwell's. No meals or snacks can be brought to school/daycare unless your child's doctor completes the Eating and Feeding Evaluation form.

A child may return to school after he/she is fever free for 24 hours (without medicine). If it is suspected that your child has a communicable disease, a written note is needed from the child's doctor. The note must state diagnosis and when the child may return to school. A child sent home with lice must be nit free upon returning to school.

Minor accidents will be taken care of by the school nurse. Parents will be notified immediately if a child should become ill or seriously injured.

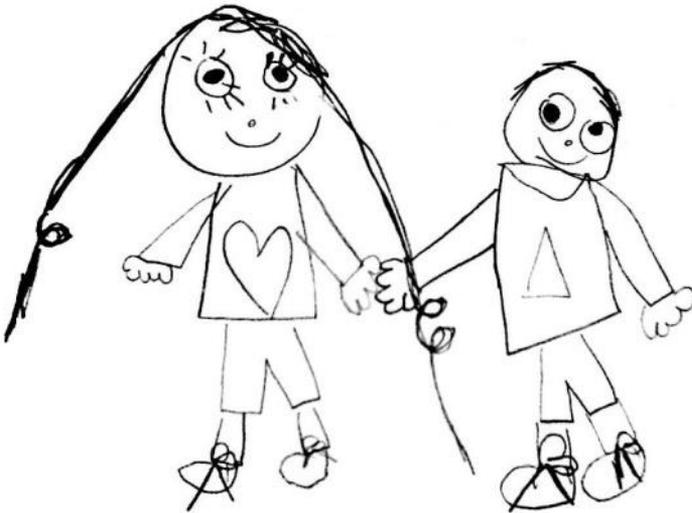

In the fall and in the spring Healthy Smiles will visit the Early Childhood Center. Information and parent permission forms will be sent prior to the visit.

For safety reasons- only child size appropriate backpacks (big enough for a folder), without wheels, are allowed.
