

Heading to Kindergarten in 2017-2018?

If so, join us this summer at your child's school for Kindergarten Camp! Kindergarten Camp, K Camp, is an exciting opportunity for your incoming kindergartener to preview their new school. Students will be able to see a kindergarten classroom, practice school routines, interact with classroom technology, and much more! Parents/Guardians will need to stay with their kindergartner during K Camp. All of our Warren elementary schools are excited to offer this opportunity again this summer for the incoming kindergarten students, providing a smooth transition into the new school year!

K Camp activities will include:

- School Readiness
- CORE in the Kindergarten Classroom
- Classroom Survival Skills
- Basic Social Skills
- Classroom Technology
- Cafeteria Procedures
- Bus Routines

Any incoming kindergarten students registered in MSD Warren Township is welcome to attend. Each school will be hosting their K Camps during the month of July; dates and choice of AM or PM session times are included on the registration link.

Fill out online registration at the link below:
