Walker Career Center (WCC) was proud to be announced as the 2015-2016 Ivy Tech Community College, Career Center Partner of the Year! WCC has partnered with Ivy Tech to offer students college credit at Ivy Tech as well as a high school credit. The dual credit, Industry Certifications, and Indiana State licenses allow our students opportunities to further their education. WCC looks forward to continuing this outstanding partnership by being an Early College site with Ivy Tech.

Thank you Ivy Tech...we look forward to an outstanding 2016-2017!

Walker Career Center is proud of the Extended Learning Opportunities taking place with the Early Childhood Education Program located at the Warren Early Childhood Center (ECC). The high school students are currently working with the young scholars in assigned classes, are earning dual-credits with Ivy Tech Community College as well as serving as interpreters for scholars and families by assisting the ECC ENL program. WCC is inspiring MSD Warren Township students and families!

It's Robotics Season!

Members of the Walker Career Center Digital Goats Robotics Team had their custom T-shirt cannon at a recent football game. Members fired shirts into the crowd, promoting school spirit and highlighting the talented Robotics program. The team is working hard in preparation for our December 17th competition, which WCC is hosting. If you are interested in volunteering or have any question about the robotics team contact Craig Harvey Charvey@warren.k12.in.us

This and That...WCC Happenings

The Walker Career Center (WCC) Cosmetology Program highlighted student talent the night of Parent/Teacher Conferences, by having the contest "Anything Goes". Students were given manikins and told to use their imaginations to create their own vision based on characters or fantasy. The following manikins were voted top honors by the WCC teachers: 1st Place, The Grinch by Kayla Lee, 2nd Place, Fantasy Unicorn by Erika Ramirez and 3rd Place, Under the Sea by Kathia Valdez.

WCC is proud of the 2016-2017 Nanoline Automation Team. The team presented their project at the 2016 National Career Pathway Conference which took place downtown Indianapolis on October 6, 2016.

BUSINESS LAW IN ACTION

Walker Career Center students in Mrs. Dyonda Williams Business Law course traveled to downtown Indianapolis to see “law in action” at the city courthouse. Students were able to witness case proceedings, meet various lawyers and the presiding Judge. One student stated, “I loved the trip. It showed me that I might be interested in being a lawyer.”

WCC is proud of Mrs. Williams and her students...another example of “teaching for today...learning for a lifetime.”

Walker Career Center students in Education Professions and Early Childhood Education participated in Butler Universities “Future Educators” workshop. Students had an opportunity to tour the Butler campus and speak with University representatives. WCC would like to thank Instructor, Mrs. Lynsi Neyland and Ms. Kristin Linenberg for guiding our “Future Educators”!
