## DIRECTOR'S MESSAGE

Greetings from the Walker Career Center! As the new Director, I wanted to express my gratitude to all of the teachers and staff that make this place so special. These professionals spend numerous hours in and out of classrooms to help support our students in whatever Career and Technical Education endeavor they choose.

Walker Career Center is committed to providing students with the knowledge and skills necessary to compete in the global economy. We pride ourselves on staying up to date with all the business and industry standards. It is now time to prepare for YOUR future.

Speaking of your future, what an amazing time to be a student at Walker Career Center. They have so many opportunities for their future here. Just to list a few opportunities that our students have here:

It is my hope that our students will take advantage of the great opportunities that they have here at Walker. I look forward to helping!

## Extended Learning Opportunities

### 2016-2017

Extended Learning Opportunities (ELOs) are personalized and rigorous learning experiences, where students learn in-part or in-whole outside a traditional classroom. ELOs often include a community or business partner as well as an assessment of a student's mastery of core competencies. Some examples of successful ELOs are internships, independent study, and after school/mentoring programs.

## Extended Learning Opportunities...Continued...

Three Finance Academy seniors were selected as Coop Interns for Teachers Credit Union. As a part of the Internship Program, students are dismissed after 5th period and continue to learn through hands-on work-based experiences. Students pictured left to right are Clara Turner, TCU Shadeland; Tate Jones, TCU, Beech Grove; and Gabriel Arreola, TCU Post Rd.

## WCC Welcomed Warren Leaders!

WCC was honored to host MSD Warren Township Superintendent, Dr. Dena Cushenberry and MSD Warren Township School Board members, on Friday, August 26, 2016. Our distinguished visitors had the opportunity to visit the TV Production Studio as well as make their own shirt in Graphic Imaging.
