BULLETIN #12

NEW SALES/USE TAX FORMS AVAILABLE ON EXCLUSIVE IDOR DEALER WEBSITE

The Indiana Department of Revenue (IDOR) has informed the ADAI of the institution of a new website exclusively devoted to vehicle, watercraft, and possible aircraft dealers. On this 'hidden' website will be items of interest to dealers such as tax bulletins, notices, and forms. Currently posted to the website and available for downloading are the **revised three (3) major forms** concerning sales tax:

Form ST – 108
Form ST – 108E
Form ST-137

You may download the forms for photocopying and use immediately. However, remember the 6% sales tax increase does not begin until after midnight November 30, 2002. The forms will not be available in the traditional pink and yellow colors from the BMV until sometime in the near future. You may use the forms on white paper; however, the BMV would prefer that you copy the forms to the appropriate color of paper: Form ST-108 on yellow, Form ST-108E on pink, and Form ST-137 on white.

The IDOR exclusive dealer website is: <http://www.in.gov/dor/resources/dealer.html> . Please save this web address for future use.

If you have any questions or comments or need copies of the forms faxed to you, do not hesitate to contact me at ADAI headquarters.
