BULLETIN #14

UPDATE

ST-108 FORMS AVAILABLE AT BMV LICENSE BRANCHES

Today I have been advised that by Monday, January 13, 2003 all Bureau of Motor Vehicle license branches should have received a supply of the revised ST-108 and ST-108E sales tax forms. The Department of Revenue Tax Forms Line personnel will no longer accept orders for these forms. Dealers may still download the form for photocopy purposes from the hidden Revenue website: <http://www.in.gov/dor/resources/dealer.html> . You will not be able to order these forms by mail from either agency.

I apologize for any confusion over this matter; but it was out of my control. The two (2) state agencies involved have been discussing the forms provision dilemma and have just recently settled on the above solution. I hope that this will be the last time I need to communicate with you on this matter.

!! IMPORTANT !!

WALK-IN INTERIM PLATE ORDERS LIMITED

The Bureau of Motor Vehicles has notified ADAI that, due to delays in the shipment of a recent BMV order for interim plates, they are limiting the number of cardboard plates ordered over the counter to a maximum of 250 plates. Mail orders have not been limited.

If the BMV interim plate shortage persists and the order amounts remain high, they may have to limit mail orders for cardboard plates as well. Since new vehicle dealers' interim plate orders are the largest at this time of the year, they have asked ADAI to contact its members.

Please re-evaluate your immediate needs regarding interim (cardboard) plates and order appropriately.

If you have any questions or need to check on your cardboard plate order, please contact Donita Bentley, BMV Dealer Dept. Supervisor at (317) 591-5312.
