BULLETIN #24

BMV SUSPENDS 'OVERNIGHT' TITLE PROCESSING

ADAI has just discovered the Bureau of Motor Vehicles has stopped printing Certificate of Origin and Duplicate titles overnight. In a message to license branches, they state "overnight" processing had been done in the past to help relieve Title Department backlogs; but they are current now. Therefore, they have discontinued the overnight processing as of two weeks ago.

Dealers and customers will have to once again return to the practice of requesting a "speed" transaction. A "Duplicate Speed" or "C of O Speed" transaction guarantees printing of the title within twenty-four (24) hours of application processing. There is an additional fee of \$25.00 associated with "speed" transactions. The title will either be mailed or available for pick-up the following business day.

If you have any questions regarding speed title processing, please contact the Bureau's Vehicle Services Help Desk at 317.232.2859.
