Custom Vertical Blinds

sheer visions®

Imagine the possibilities ...

The beauty of our Select Masterpieces® seamless sheers and the practicality of verticals wrapped as one! Simply select one of our Sheer Visions louvers and add one of our seamless sheer fabrics to create your own vision of beauty.

Child Safety

It's your first priority, but child and pet safety is often the last thing you think about when choosing window treatments. Together with the Window Coverings Safety Council we encourage you to install only cordless window coverings in rooms where young children play and sleep. Our Discoveries vertical blinds with wand control eliminates looped pull cords replacing them with a wand that remains out of a child's reach.
