Custom Wood Blinds

Inspired by Nature

Create a warm and inviting home inspired by nature with the rich natural look of real wood blinds. Nature inspires us all, so why not bring it indoors with Heartland woods for a comfortable style that anyone can embrace.

The real beauty of 100% hardwoods is the unique variations of grain, texture and color that are natural characteristics of genuine wood. These distinguishing differences are a natural trait of quality wood finishes and should be expected and enjoyed.

Custom crafted from an array of beautiful stains and designer paint colors, Heartland Woods are available in three slat sizes to balance the lines of any room or window. You will welcome the top quality workmanship, assortment of operating systems

and numerous design options that offer you unparalleled beauty, function and versatility. And you will appreciate the superior light control, energy efficiency and noise reduction.
