Principal's Chat

We all have goals for our students to develop the character and ethics that will make them productive adults and it starts now with our youth. As parents and educators, we want our children to form habits that will help them move toward their college and career goals successfully. In Warren, we observe C.O.R.E. which stand for Civility, Order, Respect, and Excellence and we teach and model what each of these look like. We show **Civility** by being courteous to everyone and valuing our similarities and differences. We show **Order** by following the rules and procedures to keep everyone safe. We show **Respect** by being a good example for others and challenge ourselves to achieve our personal best. By encouraging these habits at home and school, together we can help your child reach their goals. We show **Excellence** by setting goals for ourselves that challenge us to do our personal best

PICTURE DAY

Our pictures were taken on this past Monday, August 15, 2016. Every student/staff member had their pictures taken for the yearbook. Any student that started after August 15, 2016 will have their photo taken on re-take day. Please look for information coming soon for the picture re-take date. Thanks!

REMINDER FOR STUDENT EARLY RELEASE: Students leaving early during the school day need to have a note signed by the parent or legal guardian stating the time of pick-up and the person signing the student out. This note needs to be given to the teacher in the morning on the day of the early release. By sending a note, the teacher has a heads up, and it allows for the student to be prepared for early pick-up. **For security reasons, please do not ask that your child be called out of the classroom prior to your arrival and signing them out. Remember, photo ID will be required when signing a student out during the school day.** Plan on arriving in time to meet your appointment needs and the school's procedure for early releases. We appreciate everyone's cooperation in helping to keep our CIA students safe.

Background Checks Required

For the safety of our children, a background check must be done on anyone who volunteers at school or chaperones on field trips. Once a person is approved, the background check is valid for two school years. Please get this form from your child's teacher or the CIA office.

Release of Information for Publication

The occasion may arise when the school district wants to recognize your child or your child's school. This may include your child's photo, your child's name or your child's work in district publications, newsletters, on school district websites, and in electronic/social media or in staff training videos. We may also want to tell the media (including newspapers, television and radio) about your child's achievements. We never knowingly release information about a student to anyone who wants to use it for commercial/political purposes. However, we will honor your request to not include your child in these types of recognitions if you notify your child's school office **in writing** that you do not want this type of information released.
