Educating Students Today to Become Leaders of Tomorrow

Principal's Chat

Hello Creston Intermediate Academy families,

With all these spring showers, May should be filled with many beautiful flowers. Along with the growth of spring flowers, here at CIA we are seeing the growth of students academically and behaviorally. We have had a very busy last few weeks completing our 2016-17 ISTEP testing and the end-of-the-year NWEA testing. I am very proud of the effort our students have shown. They have worked very hard and I know their scores will reflect this. Ask your student if he/she achieved their projected NWEA growth. Many students not only achieved their projected goal, but actually exceeded their projected goal!

As we near the end of the year, don't lose sight of the importance of doing your personal best each and every day. Teachers will continue to plan engaging activities and reinforce classroom expectations to help prepare students to be successful for their next learning journey. Parents, please reinforce the importance of continuing to show CORE and working hard these last 13 days.

Thank you again for your support of CIA and helping children understand the importance of education and being involved in their school.

Congratulations to our I-STEP Raffle Winners!

STUDENT PARENT ORIENTATION FOR 2017—2018 7TH GRADE

6th grade parents are welcome to join us for this event on May 4th from 6:15 pm —7:45 pm.

Notices will go home with students on Thursday, May 4th with choices of their electives for next school year. These forms are due back to the counselor, Mr. Richardson by Friday, May 5th. Hope to see you there!

Cell phones and other electronics *must be turned off and kept in lockets at all times.* With only 180 school days built in to the school calendar, every instructional minute needs to be free of disruption that can be caused by these devices. These items may be confiscated and will require a parent or guardian to pick-up. The MSD of Warren Township Student Rights and Responsibilities Handbook addresses electronic devices with *Code of Misconduct 10-32. A student may not use or possess unauthorized electronic devices on school property during the school hours. The district, school, and staff are not responsible for electronic items brought to school by students.*

Student Pick-Up

In order to help with the student pick-up process... Please send in a note to let us know when students will be leaving for doctor's appointments and/or just an early dismissal. Prior notice will allow the teachers time to have them prepared to leave once properly signed out. Should you need to pick up your student early without notice being given, please arrive early enough to allow us time to call student's down once you have arrived.

Lobby Guard Visitor Management System

Last school year the Creston office started signing visitors in and out using Lobby Guard. Please remember to have a valid I.D. with you to gain entrance to our school. After you scan your I.D. at the Lobby Guard kiosk located at the main entrance, a visitor's badge will be generated.

REMINDER: Student's are not allowed to transport any meds to and from school. Therefore, parents will need to pick up any medications from our clinic before the last day of school, June 1st. Any prescription and/or over the counter medications left after the last day will be discarded. Thanks!

So You're Moving!

Please provide the school with your new address and/or lease information as soon as possible. This allows us to update your information in our system to start generating new bus assignments if it's within the Creston district. However, if you're moving out of the district, please contact Mrs. Taylor, Registrar @ 317-869-1327 ext. 1330 or the school office. Giving us the information to the new school will allow us to help assist in a smoother transition.

EMERGENCY INFORMATION

All student's were given emergency sheets to update at the beginning of the school year. For the safety of your child, it's important that the school has current information and phone numbers on file at all times. Phone numbers can be updated by sending in a note to give to the office. However, address updates must show proof with the Registrar Mrs. Taylor@ 317-869-1327 ext. 1330. Should any emergency arise, this allows parent/guardian contact to be made in a timely manner. Thanks so much!

GUEST TEACHERS AND BUS DRIVERS NEEDED...

Warren Township schools are looking for classroom guest teachers for the 2016-17 school year. Classroom guest teachers, also referred to as substitute teachers, work a 7 1/2 hour day with a 30 minute lunch. Classroom guest teachers are paid \$72 a day and are eligible for a \$100 bonus after completing twenty classroom assignments. With 18 schools, and over 600 classrooms in the district, there are ample opportunities for being assigned to a classroom on a daily basis. Requirements for the position can be found on our district website (<http://www.warren.k12.in.us/employment-opportunities>) or by contacting one of our 18 Warren Township schools.

Interested applicants can apply at <https://apptack.warren.k12.in.us/applicant/login.php>.

What vaccines does your child need?

- High school seniors:

Meningitis —required for all high school seniors (ages 16-18)
