REMINDERS

So you're moving? No problem!

The end of the semester is quickly approaching and we know that some of our families will be moving over the break. Providing us with the new address and/or lease information, allows us to get it updated in our system to start generating new bus assignments if it's within the Creston district. If you're moving out of the district, please contact Mrs. Taylor, Registrar @ 317-869-1327 ext. 1330 or the school office as soon as possible and provide us with the new school information to help assist in a smooth transition. Thank you!

Student Pick-Up

In order to help with the student pick-up process... Please send in a note to let us know when students will be leaving for doctor's appointments and/or just an early dismissal. Prior notice will allow the teachers time to have them prepared to leave once properly signed out. Should you need to pick up your student early without notice being given, please arrive early enough to allow us time to call student's down once

EMERGENCY INFORMATION

All student's were given emergency sheets to update at the beginning of the school year. For the safety of your child, it's important that the school has current information and phone numbers on file at all times. Phone numbers can be updated by sending in a note to give to the office. However, address updates must show proof with the Registrar Mrs. Taylor@ 317-869-1327 ext. 1330. Should any emergency arise, this allows parent/guardian contact to be made in a timely manner. Thanks so much!

Lobby Guard Visitor Management System

Last school year the Creston office started signing visitors in and out using Lobby Guard. Please remember to have a valid I.D. with you to gain entrance to our school. After you scan your I.D. at the Lobby Guard kiosk located at the main entrance, a visitor's badge will be generated.

GUEST TEACHERS AND BUS DRIVERS NEEDED...
