

AUGUST TOMAHAWK

Creston Middle School

August 4, 2017

Issue I

Creston M.S. News

Welcome Creston Families!

Imagine a stone being thrown into a calm lake. As the stone breaks the surface of the water, countless ripples are sent out in all directions. This one act produces on-going outward reactions that are far-reaching. This phenomenon has become the symbol for this year's theme at Creston Middle School. "Little Ripples Make Big Waves" will be our battle cry as we concentrate on making positive and consistent little ripples in both how we treat others and also on how we approach our study routines and work habits.

The Back to School Night will be held at Creston Middle School on Thursday, Aug. 10 from 6:00—7:30 p.m. We hope that you can attend to find out important information to help your child succeed. It is also a great opportunity to meet your child's teachers and ask them any questions you might have. Don't forget to get signed up for the parent portal and all the other communication including the homework updates via email on this night. We hope you can attend! We strongly encourage you to bring your child with you as your guide and to share in this experience together.

I look forward to an outstanding year where we can support and help your student grow. Let's work together to make this an awesome year!

Respectfully,

Chad Reedy

Principal

Important Dates

August 9 - Late Start Day

August 10 - Back to School
Night 6-7:30pm

August 16 - Fundraiser
Kickoff

August 28 - Picture Day

Fall Pictures

Monday, August 28 all Creston Middle School students will have their picture taken. Parents may order pictures online and have students bring the confirmation code with them on Monday or send cash or check made out to Life Touch. Flyers will be sent home with students the week prior to having their picture taken.

Car Rider Safety

Please be vigilant and watch your speed in the car rider line. All students should be dropped off on the curb and never have to cross any traffic to enter or exit the building. Patience along with awareness will help to keep our students safe.

School District Publications/News Media Use

The occasion may arise when the school district wants to recognize your child or your child's school. This may include your child's photo, your child's name or your child's work in district publications, newsletters, on school district websites, and in electronic/social media or in staff training videos. We may also want to tell the media (including newspapers, television, and radio) about your child's achievements. We never knowingly release information about a student to anyone who wants to use it for commercial/political purposes. However, we will honor your request to not include your child in these types of recognitions if you notify your child's school office in writing that you do not want this type of information released.

2017 Pesticide Notification Registry

The Indiana Pesticide Review Board has regulations that impact how school corporations may use pesticides on school grounds. MSD Warren Township follows these guidelines and we are inviting parents and guardians to join our Pesticide Notification Registry. By signing up for this registry, you will be notified via email at least 48 hours prior to a pesticide application at your child's school, subject to certain exceptions. You will be invited to sign up for this notification each school year.

If you would like to participate, please complete the required form found at www.warren.k12.in.us

Never Deliver Lunch Money Again

The Warren Foodservice Parent Portal is now available. This website will allow you to access your child's foodservice account. It will also allow you to view the current balance and meal history, as well as place payment into the account. You will need a user ID and password. Contact Barb Smith at 869-4381 or Mason Gallmeyer at 869-4389 to retrieve your ID and password or with any questions.

The website is <https://foodservice.warren.k12.in.us>

Parent Portal

As a parent or guardian of a student attending a Warren school, you have online to your child or children's courses, grades, attendance, discipline, and academic history. This information can be viewed from any location as long as you have a computer and Internet Explorer.

You must obtain a username and password through you child's school in order to access your child's information. Sign up forms can be picked up in the main office.
