36-50-UV-50	35.9	50 lbs	UV Black	50	500	.19	.06	10.6

## Define & Organize

If the application does not require a 50 lb tensile strength tie, consider offering your customers the Intermediate 40 lb series (page 5). Check with your engineering department to see if this is a viable option.

Give Cable Tie Express a call when PPAPs and other certification documents are required!
