Raymond Park Intermediate Academy Newsletter

August 12, 2016

Finishing up Week 2!

Congratulations to RPIA students and staff members for a fantastic second week of school! Students are engaged in learning the 5th and 6th grade standards, and they are also practicing CORE (Civility, Order, Respect, and Excellence) every day. We will continue to model appropriate behaviors and expectations and encourage our students to be responsible young people who find success.

Dress Code Reminders

- Students may wear RPIA or Warren Spirit Wear on Fridays ONLY. All other days, students should wear collared shirts.
- Sweatpants are unacceptable.
- Please contact your child's teacher if you need an additional copy of the Dress Code Standards for this school year.

NWEA Testing

The NWEA testing window will be open from Monday August 15—Friday August 26. Students will be tested in Math, Reading, and Language Usage. This test will be given three times this year to track students' growth.

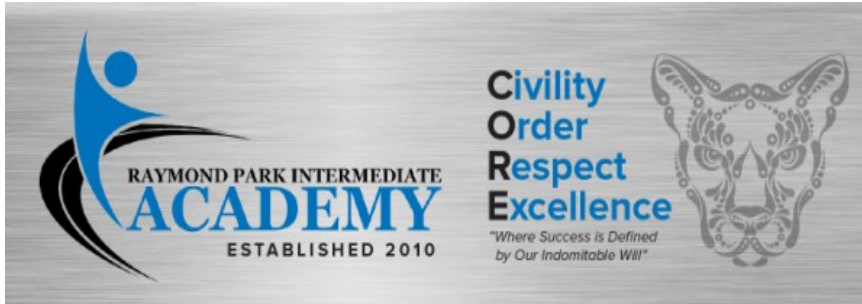

Our 2016-2017 school year theme is:

*Success:
Create Yours!*

RPIA Teachers and Staff will support all students to help them find personal success and growth this year!

Calendar

- August 15:
PTSA Meeting 6:30 PM
- Aug. 15—Aug. 26:
NWEA Testing
- Sept. 1 and 2:
Healthy Smiles
- Sept. 5: Labor Day
No School
- Sept. 7: Picture Day

Raymond Park Intermediate Academy Newsletter

A Note from the Principal

Dear RPIA Families,

I am so proud to be the principal of Raymond Park Intermediate Academy. I am really enjoying getting to know your children, and I know our teachers are as well. We are in for a great year full of education and success, and we could really use your help with a few key things:

1. Please encourage your student to model CORE at all times—even at home! Civility, Order, Respect, and Excellence are the core values we model and teach our students every day.
2. Please stay in touch with your child's teacher. Communication between school and home is a vital part of your student's success. We want to include you and get your guidance and support when it comes to how to best serve your child.
3. Please visit our school website regularly for updates on events, district information, and more!
<http://rpia.warren.k12.in.us/>

We will strive to ensure that each student finds success this school year! Please let us know how we can help.

Sincerely,

Mrs. Storm

From Ms. Willen School Counselor

Please ask your students what they know about **BEV !**

Future Newsletters

Beginning next week, the newsletter will be sent via email and posted on our school website. We will not be sending home paper copies. If you did not give us your email address at Registration in July, please contact Mrs. Storm at cstorm@warren.k12.in.us

MSD Warren Township follows the Indiana Pesticide Review Board's policies regarding the use of pesticides on school grounds. If you'd like notifications prior to a pesticide application at schools, please visit www.warren.k12.in.us to fill out the required form.
