Mr. Hoog's Headlines...

Dear Lakeside Parents and Guardians,

This coming week is Digital Citizenship Week in Indiana. Across Indiana, educators demonstrate a commitment to developing digital learning experiences that are accessible to students in their schools. As part of this work, we now focus our attention on building digital citizenship awareness in our learning communities. Digital Citizenship Week provides the opportunity to engage all stakeholders in conversations and activities to deepen our understanding of this vital topic. Please take some time this week to talk with your student about being a good citizen when it comes to the use of devices and the internet.

I pledge to develop positive habits as a digital citizen. I will empower myself as a learner by practicing safe, legal, and ethical technology use in and out of school.

We have our next delayed start to the school year on Wednesday, September 14. Elementary and Intermediate schools and buses will run on a 1-hour delay.

Have a great weekend!

Mr. Hoog

Join us for literacy night on Sept 15 from 6-7:30. Students will get to enjoy many literacy genre "islands" from nonfiction to poetry to read alouds. Lakeside students will earn core cash for attending and they will go home with a free book!
