

# Raymond Park Middle School 2017 - 2018 Supply List

The RPMS staff is looking forward to an outstanding year of learning for you. Having the tools you will need to be successful before school begins is essential!

The middle school structure requires that students have supplies for up to 7 classes. Supplies should be organized in such a fashion that they may be transported easily. Students may visit lockers before school, during a designated passing period midway through the school day, and after school. Students may carry nylon string bags that are limited to a single compartment and without zippers, within which PE clothes and other small supplies may be carried. There is very little need for students to carry books as curriculum is accessed online using classroom devices, and much of the work that supports learning will be completed/submitted digitally as well.

## Recommended Supplies (other supplies may be needed as the school year progresses):

- 1 box of pencils (basic 24-pack)
- 1 box of blue or black pens (basic 12-pack, no gel pens)
- 1 box colored pencils (basic 12-pack)
- 1 three-ring binder (preferably 2-inch) with subject dividers and loose-leaf paper. A binder cover with pockets for pencil and pens should be strongly considered
- 4 spiral notebooks
- 6 basic pocketed folders
- 1 set of headphones or earbuds for classroom personalized learning use on digital devices
- 1 string bag (with no zippers or side compartments)
- a few small packages of facial tissue (for cold/flu season)

Physical Education class activities require that students dress in active wear on a daily basis, and students will also have swim instruction in the Indy Island pool each week. PE clothes should not be worn to other classes and should be taken home at least weekly for laundering. Students will be issued a physical education lock and locker within which clothes/shoes may be stowed in class and also during non-PE time. PE and swimming dress guidelines are as follows:

### Tops:

- A Raymond Park MS P.E. uniform with their student's first and last name on it (available at the RPMS bookstore), Warren spirit wear or; a non-fitted t-shirt in any pattern or color
- Small athletic logos are acceptable, tank tops are not acceptable.

### Bottoms:

- Sweatpants or gym/basketball shorts in any pattern or color
- Shorts may be no more than 2 inches above knees.
- Small athletic logos are acceptable.
