

Dear Parents,

Warren Township wants our students to be as safe as possible on the internet at all times. As a courtesy to all of our families, we will be sharing access to Securly, so that you can actively participate in monitoring appropriate and safe internet practices from your own devices any time, any place. Securly is a web filter designed to help keep students safe on their school issued devices.

Soon you will receive a weekly email from Securly.com that will show you a preview of your child's online activity. To receive access to their full online activity history, you can enter the free Parent Portal. If you do not wish to receive the weekly email from Securly, simply click unsubscribe in the bottom left corner of the email.

To enter the Parent Portal, click on the "go to my parent portal" link, or the "sign up" link at the bottom of your weekly email. You will be asked to check two boxes and then click "Yes, please set up my account." Once you do this, you will receive an email with login and password information. After you set up your account, you can enter the Parent Portal any time by going to [www.securly.com](http://www.securly.com) and clicking on "login."

The Parent Portal contains three categories on the left from which you can choose:

1. Activity (shows a real-time audit trail of your child's online activity)
2. Flagged (shows posts made on Facebook, Twitter, and Google+ that have been flagged by Securly as potentially related to self-harm or bullying)
3. Settings (allows you to control content on the device at home only)

For more on the Parent Portal, visit these helpful video links:

1. Parent Portal Walk Through - <https://vimeo.com/211007933>
2. Parent Portal Summary - <https://vimeo.com/217679962>

Securly Parent Portal account questions (e.g. email, password, etc.) should be emailed directly to [help@securly.com](mailto:help@securly.com); for content (e.g. sites allowed or blocked, search results, etc.) related questions please contact the Principal at your school.

Regards,

MSD of Warren Township Technology Department
